ABOUT CET

College of Engineering, Trivandrum, India, popularly known as **CET**, has come a long way since its inception in 1939 by the Maharaja, the ruler of Travancore State. With a current strength of more than 4000 students, highly qualified engineering faculty, advanced laboratories, workshops and research centres, CET has become a sought after technical institution in the country for engineering studies. It is ranked as 157 by the NIRF.

Its library with linkages to international knowledge resource centres acts as the conduit for knowledge sharing. The technological association fostered by CET with national and multi-national industries and business houses well supported by a group of highly placed alumni, provides a growth oriented environment for the students to excel. CET offers a rich portfolio of undergraduates, postgraduates and doctoral programmes in core as well as emerging fields of engineering.

ABOUT CETSOM

College of Engineering Trivandrum (CET) started MBA programme in 1985 as an evening programme to enrich the practicing managers in professional management. This programme has been well received by the practicing management fraternity and continues to be in the forefront and is the second oldest MBA Programme in the state. A Management school of the current status with full time MBA programme was started in the year 2000. CET is the pioneering institution in management education under APJ Abdul Kalam Technological University (APJAKTU). Twenty three batches of students have already completed the full-time programme and Thirty five batches have completed the Evening MBA Programme here. CETSOM is set up in a newly constructed block, having state-of-the-art facilities. CETSOM was accredited by the National Board of Accreditation (NBA) on September 19, 2013 and subsequently in 2019. CETSOM is also an approved centre for carrying out management research. Nineteen scholars have been awarded PhD in Management from this centre.

VISION

National level Excellence and International Visibility in every facet of Management Education

MISSION

CETSOM envisages to mould innovative, environmentally conscious, and socially sensitive management professionals capable of managing change and competition upholding the policies of the Government and meeting the changing needs of the industry from time to time.

PRINCIPAL'S MESSAGE

It is my pleasure to introduce MBA programme at CET School of Management. At CET School of Management, we take immense pride in our commitment to grooming the future leaders and professionals who are poised to make a significant impact in the corporate world.

Our MBA program is designed to be a crucible of knowledge, innovation, and leadership, equipping our students with the skills and mindset necessary to navigate the complex and ever-evolving business landscape.

As you peruse the pages of this brochure, you will gain insights into the quality of education, training, and values that we instill in our students. Our dedicated faculty, state-of-the-art facilities, and rigorous curriculum ensure that our graduates are not only well-versed in business theories but are also adept at applying them to real-world scenarios.

The heart of any educational institution lies in its students, and I am proud to say that our MBA graduates have consistently displayed outstanding capabilities, leadership qualities, and a strong work ethic. They are not just academically proficient but also possess the adaptability, problem-solving acumen, and ethical values that are highly sought after in the corporate world.

We are committed to providing you with the support and resources necessary to identify the right talent that aligns with your specific requirements. I encourage you to consider our MBA graduates full-time positions to your esteemed organization.

Thank you for considering CET School of Management as your source for talented professionals. Together, we can create a future filled with innovation, leadership, and success.

Dr. Xavier J. S.
Principal

DIRECTOR'S MESSAGE

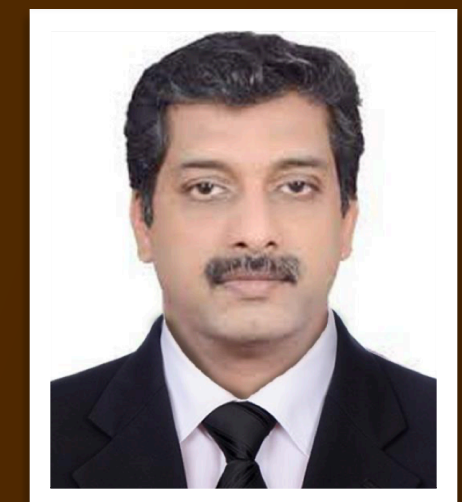

I am really privileged and proud to introduce the students of batch 2022-24 of the MBA Programme at CET School of Management. We at CETSOM attract the best minds and prepare them to face complexity of the modern day business through real life cases in the contemporary organizational context. Our student community is a matrix from Engineering, Arts, Commerce and Science backgrounds. Our faculty at CETSOM utilize every opportunity to ensure that the students acquire knowledge, analytical skills, communication skills and undergo personality growth. The synergy of qualified faculty members in employing the unique blend of teaching techniques, case studies and personalized individual attention help mould our graduates to achieve their dream. The students undergo a carefully coined curriculum which is armed to meet the industry needs and this cutting edge core curriculum is augmented by a set of electives offered from all emerging areas of functional management. We aim to mould and deliver socially sensitive, highly agile and responsible leaders of tomorrow. I wish all students belonging to the above batch all success and happiness in all their future endeavors.

Dr. Suresh Subramoniam
Director

PLACEMENT OFFICER'S MESSAGE

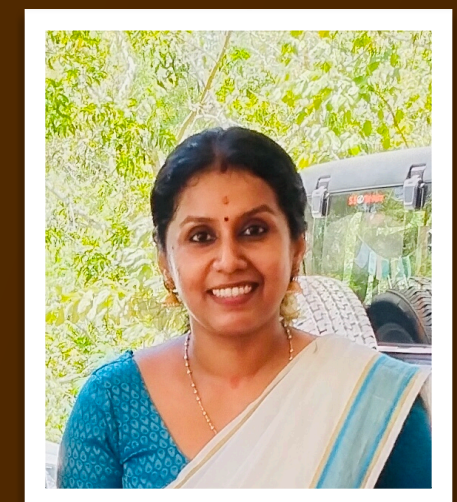

CET School of Management has always strived to foster new-age professionals, equipped for the changing paradigms of the industry. Students have undergone a plethora of activities and a steep learning curve, enabling them to acquire the right skills and domain knowledge to adapt to the dynamics of the technology era. The updated course content, delivered by highly experienced academicians and industry professionals, has helped in inculcating the skills required for better decision-making. The contribution of the illustrious alumni in nurturing soft skills and personality development of the students is laudable. Guest lectures, industrial visits, and internships during the course have enhanced industry interface and facilitated garnering updated knowledge in functional domains. With utmost optimism, I am confident that our students will be an asset to any organization, and I am proud to present a group of motivated and enterprising students. I would like to thank all our prominent industry partners who have played an instrumental role in making our placements a huge success over the past years. We look forward to more profound and mutually beneficial relationships, where our students will be given an opportunity to contribute to your human resource talent pool and meet industry expectations

Dr. Sunil Kumar K
Placement Officer

PLACEMENT COORDINATOR'S MESSAGE

CET School of Management has a dedicated placement cell to cater to the needs of the present day employer and serves as a bridge that link students with the valued recruiter. The students graduating from the institution are today serving with renowned companies in different managerial positions across the world. The placement cell is aptly set up not only to get a right job but also to guide each of our students to get into a right career. The alumni network of the institution is also one of the pillars in getting successful placements for our students. I would like to express my heartfelt gratitude to all our valued recruiters and would also like to welcome the new recruiters to our institution. Despite the pandemic situation, students have shown resilience and made every effort in progressing well in their academics and paved their way in getting good placements. On behalf of CET School of Management, I invite you to the 2022-23 placement process and look forward in association with you in enabling to hire the best talent from our campus. My best wishes for a successful placement process.

Dr. Jisha Gopi
Placement Coordinator
